Pennsylvania Area Token Collectors Organization Volume 26 - Issue 1

In this issue:

"Aero Club of Pennsylvania Elongated" by Rich Bottles Jr.

"Unlisted PA Merchant Tokens (part 7)" by Larry Dziubek

(Starting with Volume 23-Issue 1, an attempt is being made by PATCO members to build a list of tokens not known when the PA tome was published. We try to follow the example of Dr. Aqua, but stray from the strict standards. There are some storecards included that are not issued by pure merchants. Food Stamp tokens are not included, but we are compiling a separate list of them and need your help. Some, but not all plastic tokens, are included herein. New Independent Brewing Co. varieties are not entered into this list, but are maintained in our database. Some entries are incomplete, because only partial data was provided in eBay sales or retail listings. You are invited to add or correct any of this information if you have seen the actual token. Write to Larry Dziubek.)

Aero Club of Pennsylvania

By Rich Bottles Jr.

The Aero Club of Pennsylvania recently celebrated its 100th Anniversary. It was a hundred years ago that the club was established and chartered. And it was a hundred years ago that it issued an elongated cent.

The elongated cent is rare today, being listed as an R-6 (seven being the rarest level) in the "Yesterday's Elongateds" catalog by Lee Martin and Dottie Dow. The Aero elongated is given a catalog number of Pennsylvania Miscellaneous PENxxx-2, but it can best be attributed to Philadelphia because of the events that transpired during the year of issue.

The elongated design is full of symbolism, featuring a swastika (a Native American good luck symbol) inside a horseshoe (a non-native American good luck symbol); and a witch (not a good luck symbol) inside a keystone (representing a state that could use some luck). The full inscription on the elongate reads as follows: (horseshoe / swastika) / LUCKY CENT / 1910 / (keystone with: AERO / CLUB / (witch) / OF / PENNSYLVANIA).

Arthur T. Atherholt, the first licensed balloonist in Pennsylvania, met with 14 fellow aviation enthusiasts in Philadelphia in December of 1909 and proposed that a Pennsylvania chapter of the Aero Club of America be established. Officers were elected and rules were passed for the Aero Club of Pennsylvania on May 13, 1910.

By the end of the year, the pre-established organizations of the Aero Club of Philadelphia, the Aeronautical Recreational Society, the Ben Franklin Aeronautical Society, and the Ben Franklin Balloon Association all enthusiastically merged with the new Aero Club of Pennsylvania.

Speaking of Ben Franklin, the logo chosen to represent the Aero Club of Pennsylvania was likely based on one of his observations. Boasting about the progress of American aviation, he wrote to a friend in England in 1783 that "the idea of witches riding (through) the air upon a broomstick, would have (once) appeared...impossible and ridiculous."

During November 3-10, 1910, the Aero Club of Pennsylvania hosted the largest aviation show ever held in the United States. It was held at the Armory in Philadelphia and approximately thirty thousand spectators attended. The event also featured an air show at the Philadelphia Driving Park and Point Breeze Race Track. The elongated described in this article was most likely a souvenir sold at this event.

PATCO SWAP & MEETING

Saturday, May 8, 2010

A PATCO club meeting and swap will be held from 10:30 a.m. to 11:00 a.m. at the Monroeville Convention Center in Monroeville, PA (near the Monroeville Mall at 209 Mall Blvd.), along Business Route 22.

The PATCO meeting is being held in conjunction with the Pennsylvania Association of Numismatists (PAN) Show. Look for signs near the bourse floor to direct you to the PATCO meeting area.

To gain access to Route 22 in Monroeville - Take Pennsylvania Turnpike (Route 76) Exit, or take the Penn-Lincoln Parkway East (Rte 365) from Pittsburgh.

This issue of the PATCO Journal is dedicated to the memory of Pennsylvania Token Collecting pioneer Herman "Doc" Aqua, who passed away on January 18, 2010. Herman M. Aqua's legacy in the field of exonumia will live on through his ground-breaking catalog entitled "Pennsylvania Merchant Tokens," which is still being updated today by members of this organization.

Rest in Peace.
